- (b) Each Director must be able to add value to the Board's deliberations. In addition, the Board must:
 - (i) be comprised of Directors who are financially literate, at least one of whom has financial expertise; and
 - (ii) demonstrate an appropriate mix of skills, experience, diversity and knowledge to discharge its responsibilities and objectives.
- (c) The Board must review the range of expertise of its members regularly, and ensure that it has operational and technical expertise adequate to support the operation of the Company. Accordingly, the number of Directors may be increased where additional expertise is required in specific areas or when an outstanding candidate is identified.
- (d) The Board should consist of a majority of independent Directors.

5.2 Size

- (a) In accordance with the Constitution and the Corporations Act, the Board will at all times have at least three Directors.
- (b) The Board is currently composed of five Directors, comprising three non-executive Directors and two executive Directors.
- (c) The composition of the Board is, and will continue to be, determined on the basis that the Board requires that the Directors collectively have a broad range of technical and commercial expertise and experience in a field complementary to the Company's activities and/or have professional qualifications appropriate and relevant to the Company and its business.
- (d) The Board should be comprised of Directors with a relevant blend of personal experience in accounting and finance, law, vocational education, financial management and public company administration, and director-level business or corporate experience comparable with the scale and nature of the activities of the Company. As at the date of this Charter, Directors have been appointed based on the specific corporate and governance skills and experience required by the Company. New appointments are to be made on this same basis.

5.3 Alternate Directors

Directors may appoint alternate Directors in accordance with the Constitution.

5.4 Appointment and Removal of Directors

Directors will be appointed and removed in accordance with the Corporations Act and the Constitution.

5.5 Independent Directors

As a general principle, independent Directors are those who have the ability to exercise their duties unfettered by any business or other relationships and are willing to express an objective opinion.

The approach and attitude of a non-executive Director is a critical factor in determining his or her independence. Other relevant factors include whether the non-executive Director:

- (a) is not a substantial shareholder of the Company or an Officer of, or otherwise associated directly with, a substantial shareholder of the Company (as defined in section 9 of the Corporations Act);
- (b) has not, within the last three years, been employed in an executive capacity by the Company or another Group member, or been a Director after ceasing to hold any such employment;
- (c) has not, within the last three years, been a principal of a material professional adviser or a material consultant to the Company or another Group member, or an employee materially associated with the service provided;
- (d) is not, or has not within the last three years been, a material supplier or customer of the Company or other Group member, or an Officer of or otherwise associated, directly or indirectly, with a material supplier or customer;
- (e) has no material contractual relationship with the Company or another Group member other than as a Director;
- (f) has not served on the Board for a period in the past which could, or could reasonably be perceived to, compromise the Director's independence or materially interfere with the Director's ability to act in the current best interests of the Company; and
- (g) is free from any interest and any business, familial or other relationship which could, or could reasonably be perceived to, materially interfere with the Director's ability to act in the best interests of the Company.

The Board currently has three non-executive Directors, all of whom are considered to be independent Directors.

The Board will regularly assess, at least annually, the independence of each of the non-executive Directors based on the interests and associations they disclose and all other available, relevant information.

The Board recognises that the tenure of a Director alone will not be sufficient to determine whether a Director's independence has been compromised. However, the

Board should regularly assess whether a Director, who has served for more than ten years, has become too close to management to be considered independent.

All Directors will be requested to answer the Director Independence Questionnaire set out in Schedule 1.

5.6 Annual Report Disclosure

The Board may classify a Director as independent, notwithstanding his or her failure to meet any of the abovementioned criteria. In this case, the Board will state its reasons for making such a decision in the Company's annual report.

The Board will make immediate disclosure to the market if a Director loses his or her independent status.

The Board must ensure that each annual report of the Company discloses:

- (a) the names of the Directors who are considered by the Board to be independent;
- (b) the reasons for considering a Director to be independent;
- (c) the reasons for considering a Director to be independent despite failure to meet the abovementioned criteria; and
- (d) the period of office of each Director.

6. Nominations

The Board will consider nominations for appointment or election of Directors that may arise from time to time having regard to:

- (a) the corporate and governance skills required by the Company;
- (b) the ASX Corporate Governance Principles; and
- (c) the procedures outlined in the Constitution and the Corporations Act.

7. Appointment of Directors

The Board will determine whether or not to recommend a Director to shareholders for election or re-election or to appoint a Director to fill a casual vacancy.

The Board notes that ASX Listing Rule 14.4 precludes a Director (except a Managing Director) from holding office for more than three years, or beyond the third Annual General Meeting after appointment (whichever is the longer) without submitting himself or herself for re-election. The proportion of Directors that must retire or be re-elected at any particular general meeting is not prescribed under ASX Listing Rule 14.4. Rule 3.6

of the Company's Constitution requires that at least one third of the Directors (excluding the Managing Director) must retire or be re-elected each year.

Subject to the number of Directors allowed under the Constitution, a Director may be appointed by an ordinary resolution of the Company in a general meeting. Where a Director's position becomes vacant between such meetings, the Board may appoint a replacement Director to fill the casual vacancy. Replacement Directors appointed hold office only until the commencement of the next Annual General Meeting of the Company at which meeting that Director may stand for election to the Board.

The terms and conditions of the appointment and retirement of members of the Board will be set out in a letter of appointment to be issued to each Director elected or appointed to the Board, which will include the following matters:

- (a) term of the appointment, subject to member approval;
- (b) time commitments envisaged;
- (c) powers and duties of all Directors;
- (d) any special duties or arrangements attaching to the particular Director's position;

The Company will ensure that fees and salaries conform with general standards for publicly listed companies of the size and type of the Company and that they not be excessive. All remuneration to be provided to Directors and statutory Officers will be disclosed in the annual report of the Company each year.
